Reach

Out

I knew a man that I did not
care for,
And then one day this man gave
me a call.

We sat and talked about things
on our mind
And now this man he is a friend
of mine.
Reach out in the darkness, Reach
Out in the darkness and you may
find a friend.
Don't be afraid, don't be afraid
to love.
Don't be afraid. Listen to me,
Everybody needs a little love.
Reach out in the darkness and
You may find a friend.

Courtesy of Times Herald.

Reach Out-for physical fitness . . .

for the kindness and helpfulness of others . .

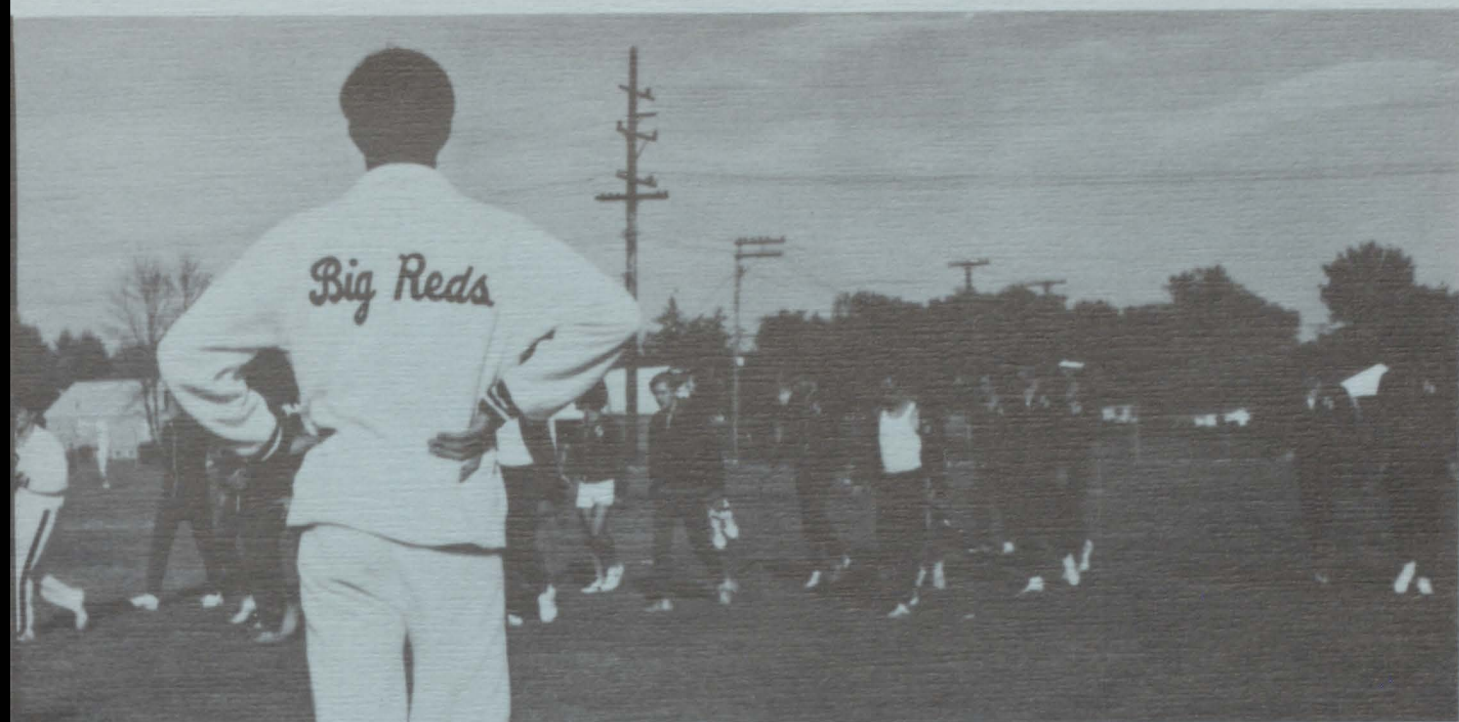

for the services performed.

Why reach out?

You do it every single day, so often, in fact, you don't realize you're doing it. Reach Out-to your employer, to the people you work with, to the neighborhood where you live, to Port Huron, to your friends, to your brothers and sisters, to your teachers, to the past and future through all you do. Enough said?

O.K.

Reaching out through Algebra to computers and a lifetime career, or through Biology, Homemaking, Typing, Home and Family Living, Retailing, or any one of the two dozen or so subjects you have to choose from. That's why the staff of the STUDENT picked "Reach Out" as our theme in '72.

Reach

Out

Reach Out—for the hand of competition

... for the hand of helpfulness

... the hand that creates beauty

Knowledge is the reaching into the unknown.

A plant is a reminder that we need them for life.

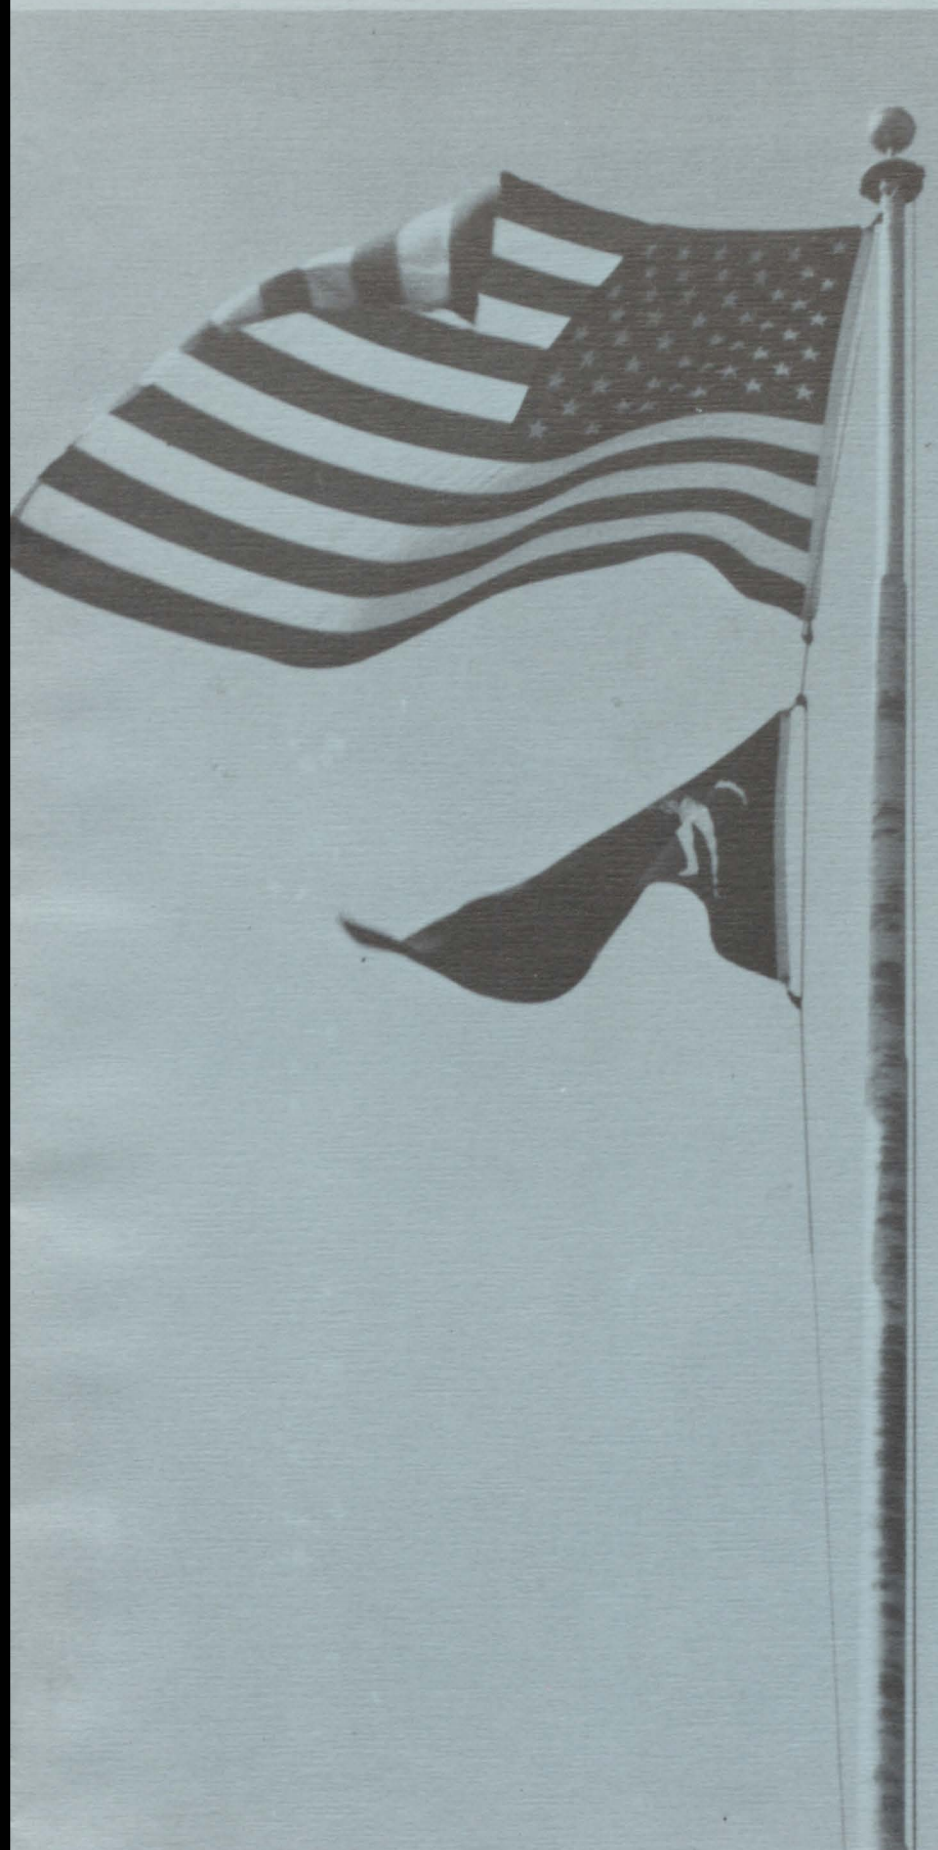

A child is why we must save nature.

Remember
that
it

Banner."

Reach

Out

The Student is a way of reaching back into the past.

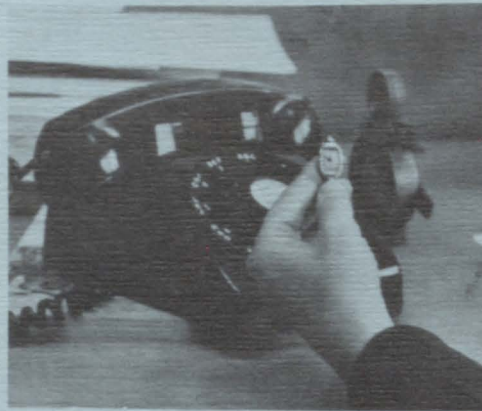

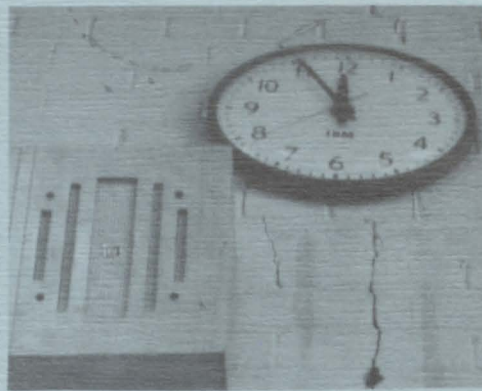

The flag is our show of pride in our country.

Little Reds reach to you for assurance of their future.

Reach

Out

When Reaching Out to the World Remember:

1. the value of time
2. the success of perserverance
3. the dignity of simplicity
4. the obligation of duty
5. the pleasure of working
6. the virture of patience

What so ever Things

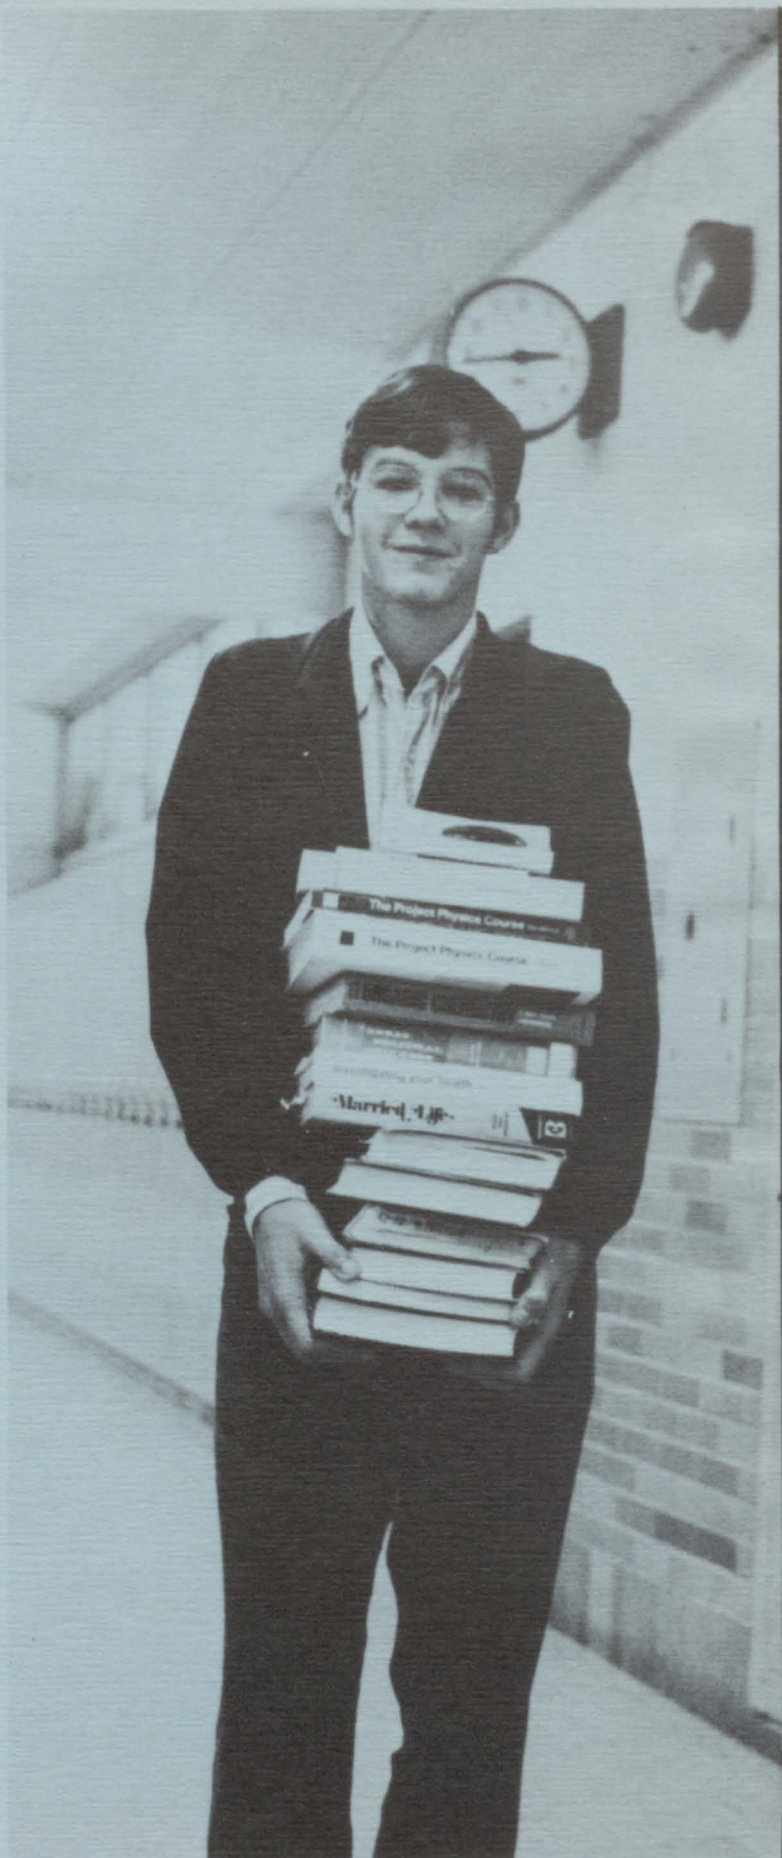

Art reaches to the future through his education here.

Rose reaches to Miss Marg for help in styling Cheryl's hair.

Kim reaches to Miss Welch for guidance.

... for teamwork 'cause that's what it takes.

... for the ladies who provide nutrition.

... for the friends who meet us across the street.

Reach

Out

Reach & Out according to Mr. Webster:

Reach— N. 1. The distance within one can touch anything. 2. The act of stretching out to touch or grasp. 3. The amount which one can think of as a whole.

Vt. 1. Away from the inside. 2. To touch; to come to; to arrive at. 3. To obtain. 4. To convince.

Out— Adv. 1. Away from the inside. 2. Not in a state or condition. 3. Forth, into the open. 4. Clear of obstruction. 5. Remote. Reach Out.

Reach Out

. . . for publicity given to the football team, Rah!

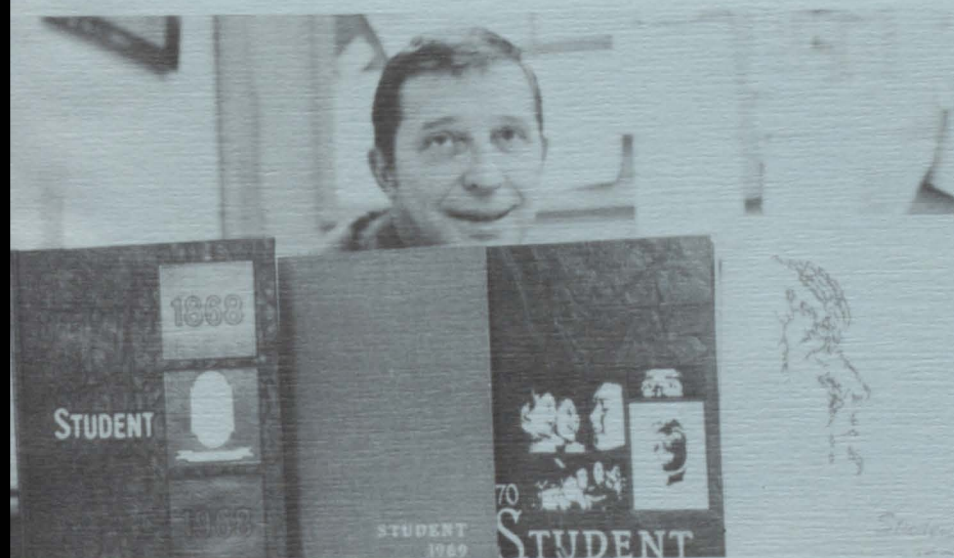

. . . for the helping of a boy, somewhere.

. . . for the perfection in movement.

I knew a man that I did not care for
 And then one day this man gave
 me a call.
 We sat and talked about things on our minds,
 And now this man he is a friend of mine.
 Reach out in the darkness,
 Reach out in the darkness and you may find a friend.
 Don't be afraid, don't be afraid to love.
 Don't be afraid.
 Listen to me.
 Everybody needs a little love.
 Reach out in the darkness
 and YOU may find a FRIEND.

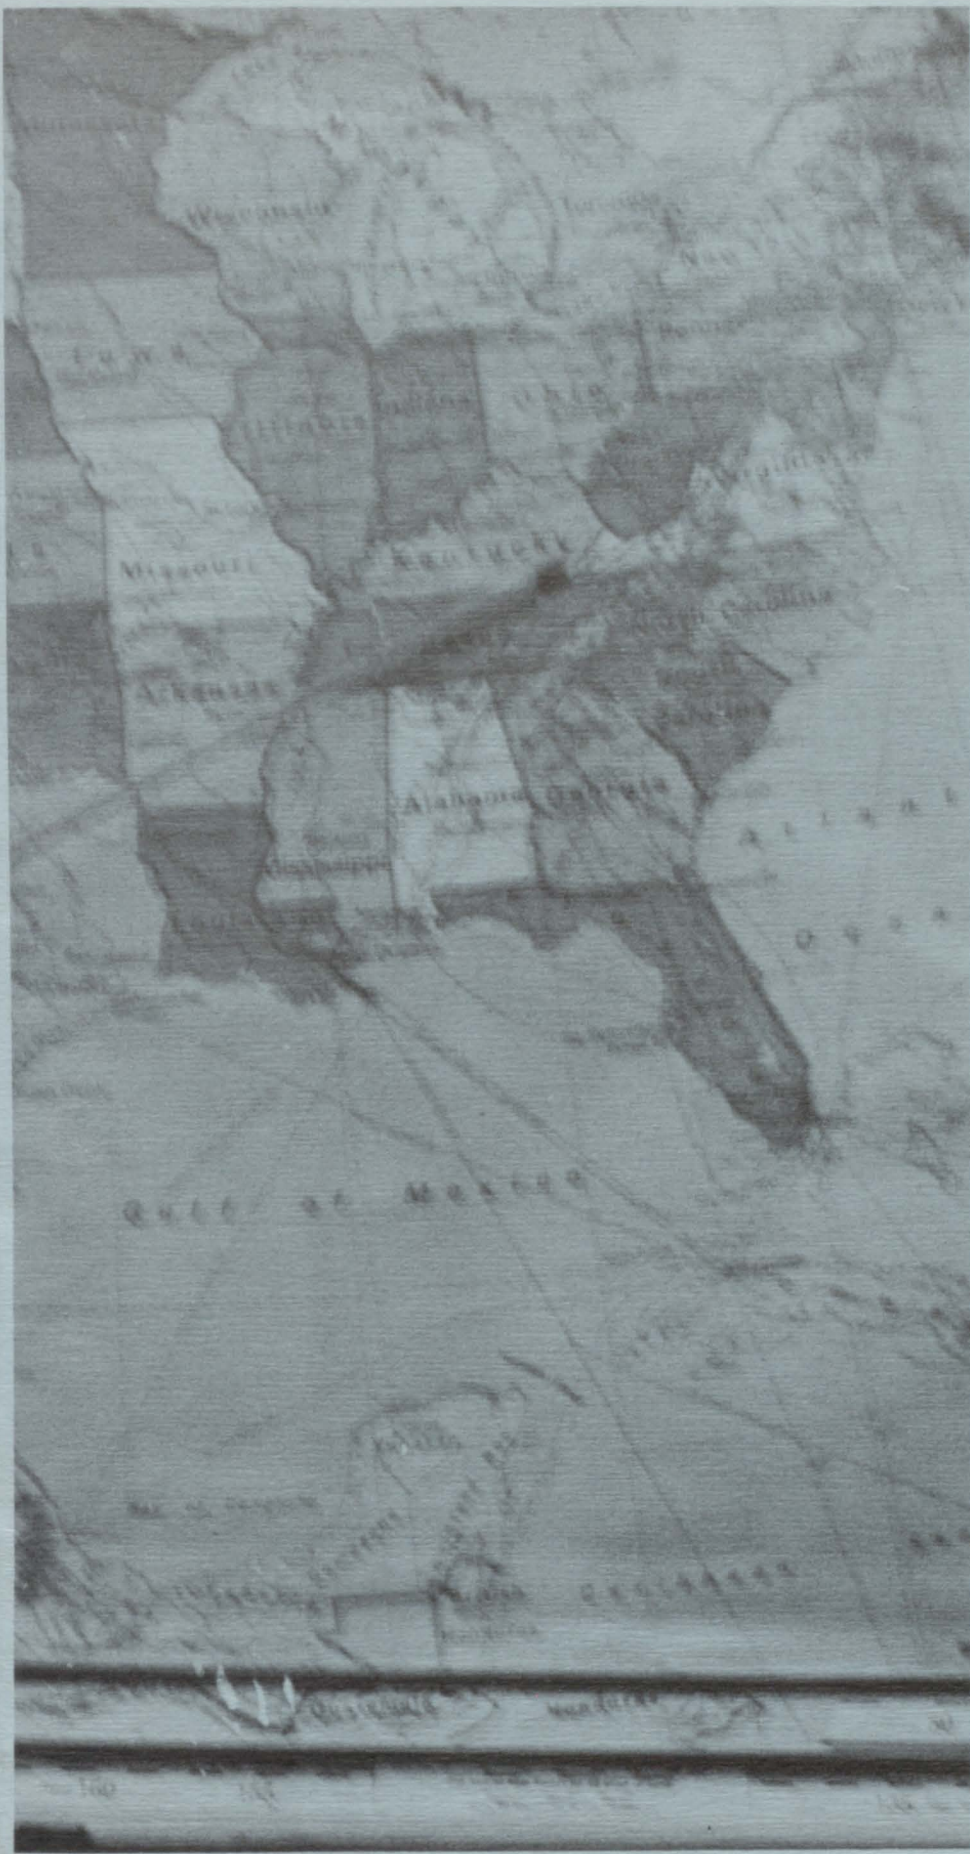

People are lonely because they build
 walls instead of bridges.

Laugh, because life here is fun, tragic,
 boring, and nice.

Mr. Wydrzynski and his prize Students.

Faculty and Academics

Reach out for learning; To those
who teach; For what they teach;
and with an open mind for all.

1972

At the top of the 1972 administration is Mr. Chet Wydrzynski who is in his 3rd year as the "head chief" of the Big Red tribe.

Assisting him are his three "under chiefs" Mr. Nault, Mr. Moeller, and Mr. Smith. We reach to these four men for the rules and privileges associated with being a student at P.H. H.S.

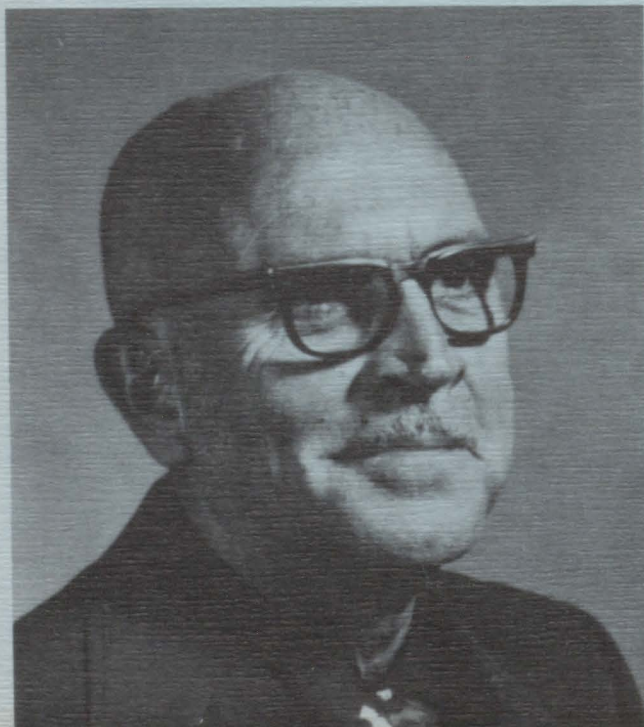

Another important part of the administration is the counseling department. Led by the coolest guy around, Mr. Frost; Miss Brocken, Mr. Harwood, Mr. Ufford, Miss Welch, and Mr. Wendling do their best to direct our time and abilities toward the goals we have picked in life.

The people we have contact with the most are from the faculty. They are the ones who teach us a trade, or prepare us for college.

Now The STUDENT presents the 1972 faculty.

Business Education

Business Education is one department that really comes in handy for all students. For the student who goes on to college, typing can really come in handy for those term papers. The student who prefers to go right into the job market has office machines, and various other classes like retailing, shorthand, data processing, and bookkeeping to help him be top notch in what ever profession he goes into. All classes are taught by first class teachers like Mr. Miller, Mrs. Grimes, Miss Miller, Mr. White, Mr. Winters, and Mr. Verran. Mr. Miller instructs his class in the correct style of typing. I'm rather sorey i didn&t habe hin for typong. Oh, well. Rhonda Peck understands that looking at those keys can increase her speed, but it is so hard not to look! Shorthand requires concentration and skill with a writing implement. Coats and books are piled out of the way so more room is made while dictation is being taken in this shorthand class. Bookkeeping class is relaxing, right Patty Tremp? Studying, I thought, was to be done at your own desk. Jeff Daniels in office machines, =, +, &.

Driver's Education

Driver's Education teaches today's youth the responsibilities of being an adult. Expertly taught by Mr. Richard Hillaker and Mr. Mike Maul, students learn the proper driving technique as well as good sportsmanship on the road. The course consists of class work, range driving, and experience on the road. Everyone is drilled with the fact that the course is Driver's Education and NOT Driver's Training. Remember the old saying you train dogs not people.

Jeff Tanton studies very hard, because this is one course you don't want to fail. Right? RIGHT. Mike Wolford takes one of the tests. Most are just common sense; rules. What does a yield sign mean? Stop of course.

Special-Ed for Special People

Special Education helps those who need and want special activities. The teachers and students both must have extra patience to learn and the will to succeed. Together this makes what we know as the special education program. Mr. Martindale and Mrs. Young are the teachers responsible for this program.

English class.

For most of your younger life it's been part of the curriculum.

Now though, there is a difference. Communications, college credit English, bible, American, modern, and English literature dot the schedule sheet.

Now it is a journey back to Shakespeare's time or on to modern poetry. Through the fascinating world of books, learning takes place sometimes even involuntarily through the fun in class.

Three different levels of English also take care of the large variety of students.

Think how many students around the world learn more than one language. Many here have trouble with just our own—granted it is one of the hardest languages to learn.

The Fine Arts department has been a source of joy for the entire school. From Cadet Band to Honors Band and from Art to Choir, all are vital classes in our school. Mr. Payton, Mr. Moon, Mr. Ploghoft, Mrs. Reid, and Mrs. Smith all contribute to the excellent teaching of Fine Art subjects. It is through this teaching, the band has reached enough acclaim to be invited to the 1972 Munich Olympics.

But we cannot take any credit away from the art students. Drawing, sculpture, painting, metal work, and ceramics are creations that show up in the case in the one-hundreds hall. Reach out through Fine Arts.

Languages are thought of by many to be a waste of time in school; they are important in understanding other nations, and other peoples.

Kenton Bolt though seems to be sleeping away most of his class period or should we say a siesta.

The whole Spanish class is decked out in sombreros and fans. Then it is back to a serious classroom situation.

Oh well. One day in German class . . . elephants came to visit. That's Jane Eisenhower and Delores Vercnocke doing the honor as our peanut-loving friends. And feeding them are Karen Lentz, Tom Woolman, Becky Falk, and good 'ole Gary Straffon.

Looks like the striped shirts took over in Latin class one day. Those Romans get classier every time I see a new Latin class.

Physical Education

Physical Education is very necessary in school. It trains future athletes and instills competition in the minds of the players. Self-defense, gymnastics, volleyball, soccer, field hockey, archery, football, basketball, and wrestling as well as many other sports are incorporated in the program. Coordination and skills are practiced and re practiced. Then, when the skills are perfected, students go on to G.A.A. and the Varsity Club. Reach Out through Physical Education.

The secrets of the world lay before us. Through our science program we have a chance to crack those secrets. Wendy Warsinski takes a last look at oxidation numbers before a test.

Mike LeTarte, Rick Davidson, Kenton Bolt, and Dave Shamaly test properties in physics.

"Great things are done when men and mountains meet."

William Blake

The mountain in this case is history, both American and World; geography, civics, government, economics, and sociology. Taught by a fairly young faculty, the new ideas come across. Mr. Burgess and Mr. McDonald's textbook for civics has also helped. Gary Kivil stands up for his rights. Mr. Mason lends his assistance in American History. Co - Op

The vocational Cooperative Education Program allows students to gain valuable work experience while working with people and earning money. Experience enables a student to be a better employee and makes his academic subjects more relevant. Co-operative Education is the application of the theory and skills learned in related classes. The three major areas of the Co-op Program are Distributive Education, Office Education, and Trade & Industry. Ron Landenberg and Mr. Adison work at Sperry's. Hillary Thigpen and Mr. Radtke both are at Sears. The Great Debate on advertising took place in Co-op related classes. Lucy Rios works here in the Co-op Supply Store. Janet Carmody key punches for Michigan Bell Telephone; while Mary Haskins works in the Minuting Department. Ross Baldwin is a mechanic at Operational Services Building for P.H.N.S.P. Somber Machine & Tool Comapny has Steve Loxton in their employment.

We Thank These Dedicated People

It's not easy to say "thank you" to people as dedicated as our cooks, custodians, librarians, and secretaries. How would a school ever be able to survive without them? The Student 1972 salutes them and says "thank you".

Student Life

Student Life, what is it?

It's all the little things that happened during the year.

The things we might have forgotten about, but without them the school year would be boring and uneventful.

Bill Copeland in Sarasota Florida's JOURNAL says: "How strange to use 'You only live once' as an excuse to throw it away." Our life at Port Huron High is very important. We must not throw these years away by not getting involved and doing our best. We will never get the chance to relive one second of our time here.

Don't waste it.

REACH OUT!

*A Day Worth Waiting for ...
Homecoming*

Debbie Dortman, senior member of the sixty-sixth Homecoming court.

The day began with a flourish of carnations, football programs, newspapers, and cries of, "But I'm broke!" Later, the band, Thunderbirds, color guard, & majorettes pose for photographers; then floats and cars prepare for a parade through downtown. And the rain pours.

In the evening, Big Red fans show pride and loyalty to their team at the Homecoming game, and at half-time crown Sally queen. At the dance music came from the Wollies.

Sally Schroeder missed cheerleading just to be crowned queen.

Carrie Elliott, picked from many beautiful girls for the '72 court.

Early in the Year - Spirit Appears

The year has many relaxing times.

The benches in the student commons and across from the cafeteria give many students a chance to relax from their busy schedules.

Patty Beach, under all that hair, takes it easy on her way to school by bus.

A nice long walk down the strip to school in the fall could almost put anyone to sleep . . .

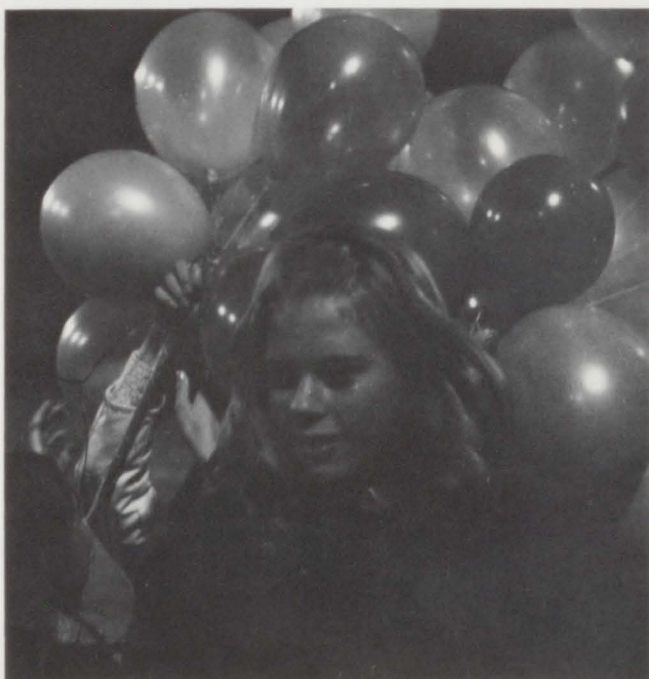

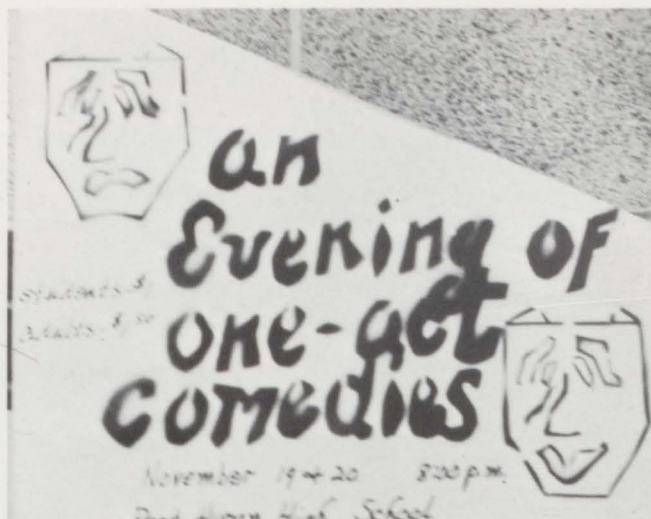

Except if there was a pep assembly like this one with the Northern cheerleaders.

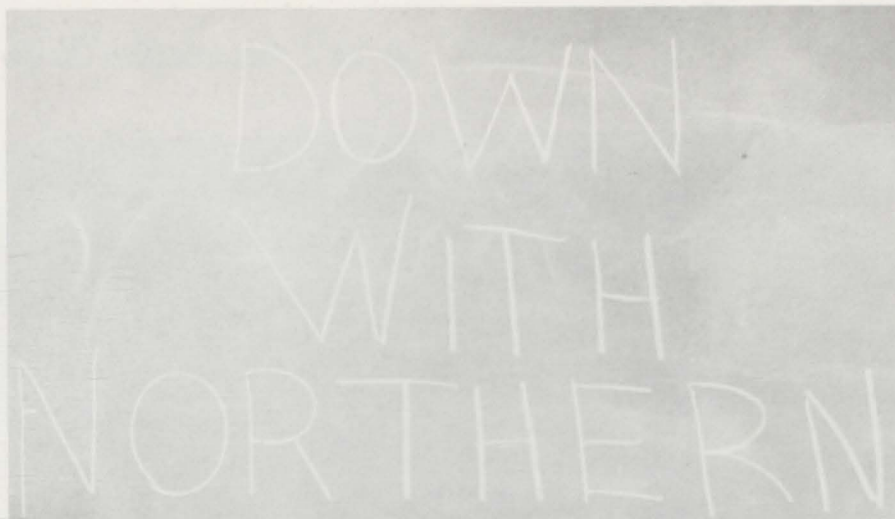

The benches in the courtyards are an asset to any young couple.

And when the NHS sells carnations why not give one to a FRIEND?

Finally what could be more relaxing than carving out one of these pumpkins into a scary face?

Student Activities

A student's life is filled with many activities.

Mr. Wydrzynski got up at 5:30 a.m. just to see the Big Red's Marching Machine off down to Detroit for the Hudson's parade.

Then the Evening of One-Act Comedies we had put on by the Drama Club.

The Big Red's Stage Band played during the Mexican dinner too.

DOWN WITH NORTHERN—what more could we say?

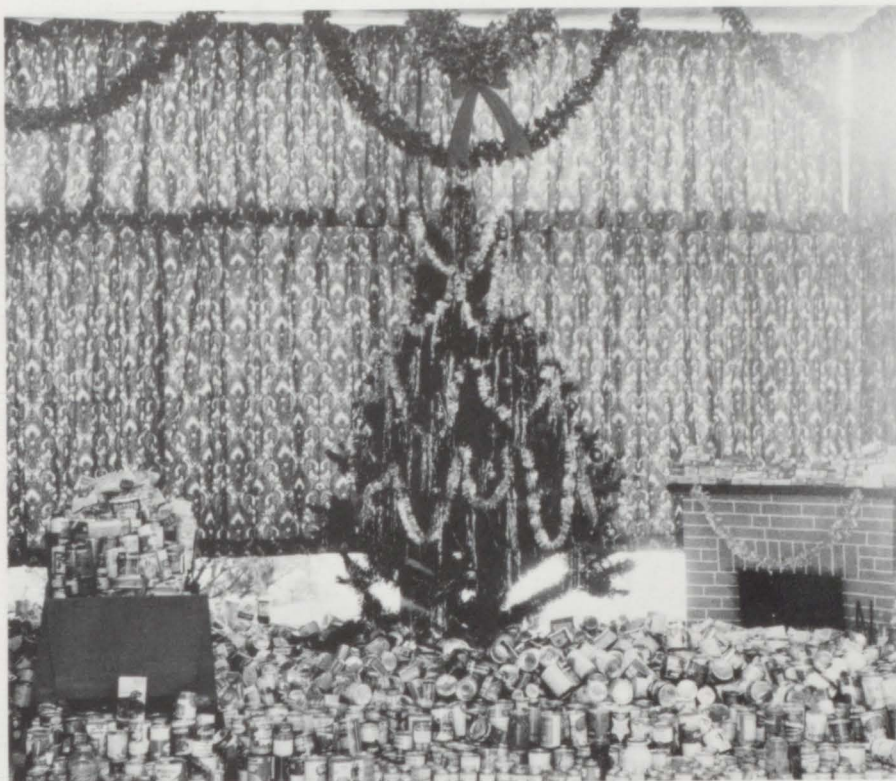

WOW! That about sums it all up in one word. WOW!

Association With

P.H.H.S. is One of Pride

Association with each other in the halls is important. So is the relationship between teachers and students. What can be said about the relationship between a man and his teddy bear? Touching! Lots of Christmas cans shows our feelings toward the poor of our community. The teeter-totter is symbolic of the bond with world-the Olympics-and Munich.

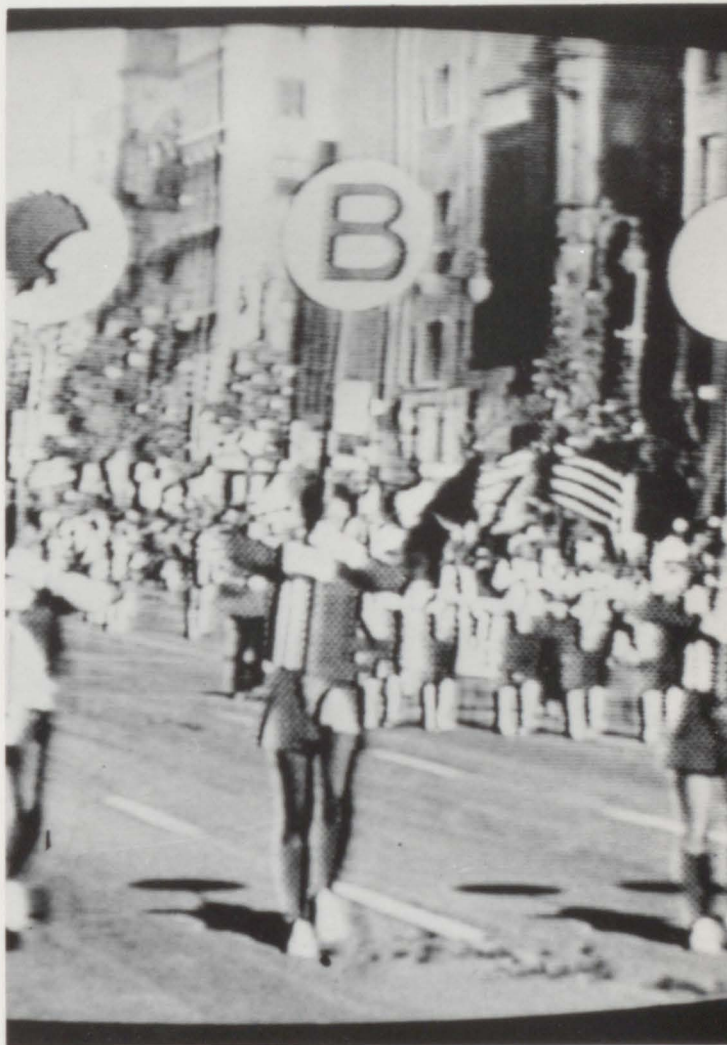

The student lounge offers a soft seat to counselor-waiting students and to conversing teachers.
 But if the seats happen to be full then the floor is the next best place—right Mary Jo Carmody?
 Of course maybe Kim Sassanella has the right idea just to get-away-from-it-all.
 Marching in the J.L. Hudson's parade was a great thrill, just ask the Thunderbirds.
 Tuning in to another station we find George Rinderspacher saying, "This is MY Life?"
 Back to the parade and the Big Reds cheerleaders.
 Now for a station break.

Our Life Here is - People

Our life will always consist of involvement with people. No man is an island.
This young visitor might someday be a student in these very halls; he might even have this same classroom. Who Knows? He might attend an assembly and be elected like Dave Freiger to be a part of a little fun.
If he is lucky like these students he may leave sixth hour and and go home a little earlier than everyone else.
Wouldn't he be surprised if he walked into class and found Mr. Hodge as he is here?
I'm sure he'd be a part of the annual Walkathon and probably will make a few walks to McDonald's.
And if he's not so smart he will join the yearbook staff and puzzle over things like Anne Fleckenstein.

Student Council officers during the school year included, from left to right: Craig Johnson, second semester president, John Moncrief, Debbie Jury, Mary Herr, Denny Van Conant, Barb Prevost, Debbie Reditzke, Donna Buettner, Mike Gray, and Scott McInnis, first semester president.

Organizations

Clubs and organizations are a vital part of the school. Not only do they promote the general interest of most students, but provide skilled advisors as well. Perhaps the Big Red Marching Machine is the most famous of the PHHS organizations. Many clubs provide time to enjoy such favorite pasttimes as chess and photography.

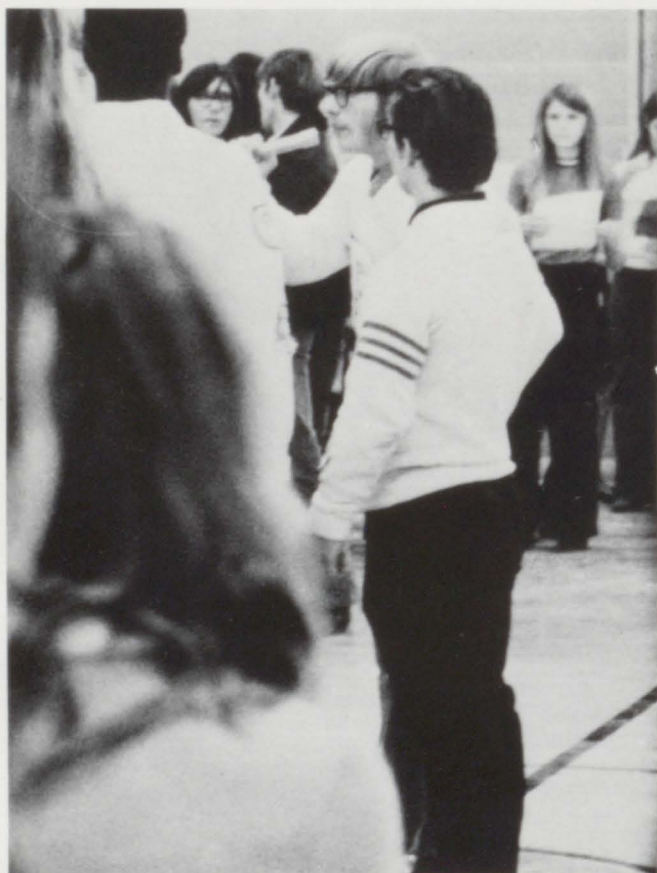

The most important of the organizations is the Student Council. They try to provide the necessary leadership for the school. On the magazine drive this winter the Council reached its goal of \$6,000, with a lot of help from its friends, US. The Council also planned and sponsored the Homecoming parade and halftime show during football season. Their big spring activity was Big Red Week.

V - a - r - s - i - t - y Club

The Varsity Club is a very active and a very 'together' club. All members of the Varsity Club can be identified as the outstanding athletes of P.H.H.S. Varsity Club Activities are the following: Selling at concessions at ball games, invitational meetings in the fall and spring, Club parties, and a canoe trip at the end of the school year.

Sponsoring and supporting these Mighty Big Reds is: Dick Worden, Basketball Coach; Mike Maul, Football Coach; Dennis Evans, Assistant; and Gary Camm, J.V. Assistant Coach.

Pedaling Around - the Bicycle Club

Left to right: Denise Palmateer, Debbie Thomas, Beth Wismer, Mrs. Gloria Naruta, Advisor.

As the wheels go round, we enjoy ourselves thoroughly in our bicycle club. We like to ride places on bikes, because the scenery on a bike is incomparable by any other form of transportation. By the way, our "spokes" man, we have Mrs. Naruta.

National Honor Society - Now.

Seated, left to right: Advisor, Miss Welch, Historian, K. Rich; President, J. Wakeen; Secretary, W. Warsinski. 2nd row: D. Arnold, M. Zachariah, L. Dean, T. Mrozowski, B. Wismer, K. Geich, S. Ryan, S. Summers. 3rd row: C. Charron, M.H. Wright, A. Fleckenstein, C. Telfer, S. Slumpff, D. Lubahn, D. Fogarty, S. Magneson, B. Kinlin, J. Maxwell.

The National Honor Society has accomplished much this year. They have sold Red & White carnations during Homecoming.

During Christmas they gave a party for underprivileged children, complete with Rennie 'Santa Claus' Ankrapp. Also during Christmas the annual faculty scholarship tea was given.

Officers are: President J. Wakeen, V. Pres. G. Rinderspacher, Secretary W. Warsinski, Treasurer R. Ankrapp, Historian K. Rich, and Advisor Miss Welch.

Left to right: Mrs. Martin, Candi McPharlin, Pam Brush, Melody Monroe, Henritta Bowers.

Drama Club Is for Future Actors

The Drama Club is dramatics. It brings many rewarding things to many people. They have put on a series of one-act plays. Many of these were directed and produced by students. Future greats just might be getting their start on our stage. Who knows? Drama Club is reaching out through acting.

Wave on flags! This is the first year for the flags. They add style and grace to the Big Red Band. At half-time on our football field, their routines are timed. Their precision drills, executed with beauty, made Northern jealous enough to have their own flags. As usual they couldn't hold a candle to the Big Red Flags. The flags will continue to be a part of the band because of the tremendous effort they have shown. Reach Out Flags and Wave.

Our majorettes are another asset to our great band. Their beauty and grace make it a treat to watch them perform.

P.H. Drillteam - Thunderbirds

Port Huron High's drillteam is the world renowned Thunderbirds.

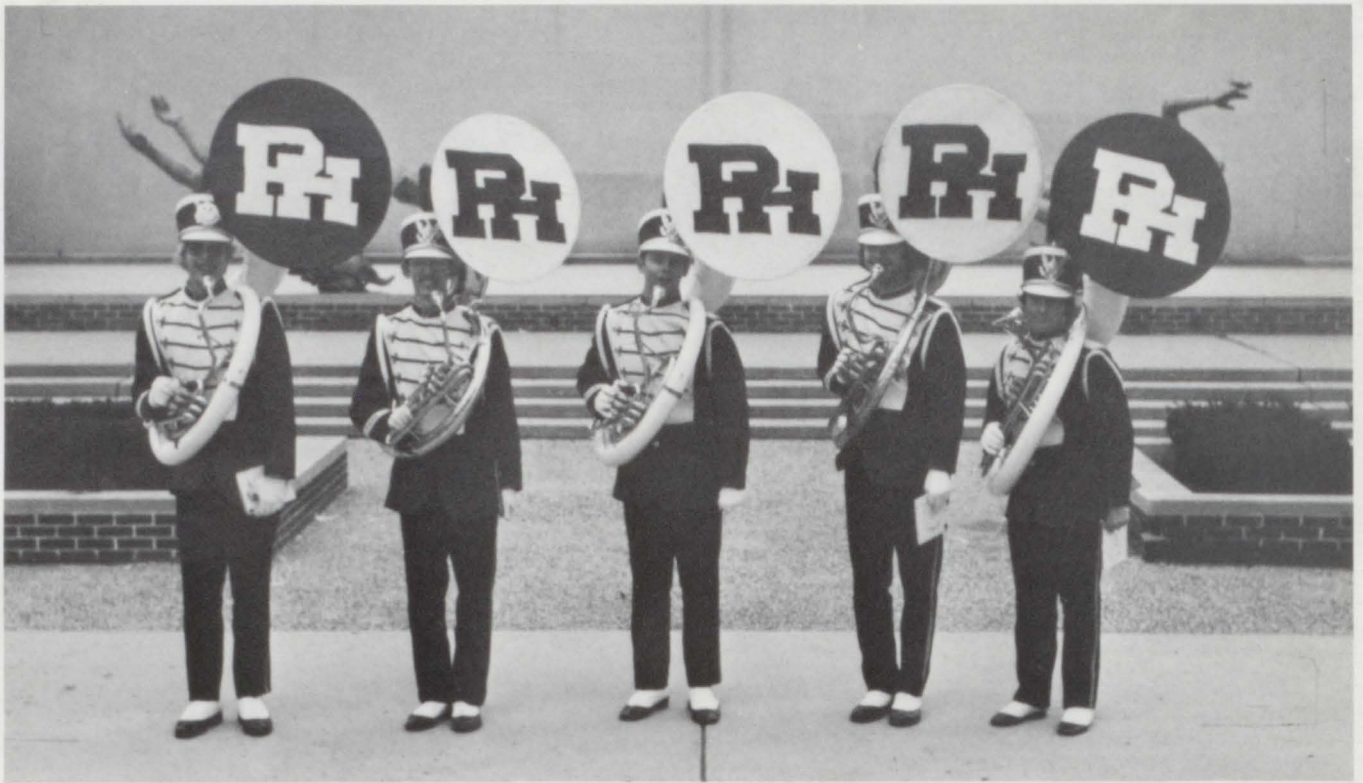

They have appeared locally at many social events, in the nationally televised J.L. Hudson's parade and soon will be going to Munich for the 72 summer Olympics. Mr. John Ufford and Mrs. Debbie Mosher are the sponsors.

Because of our drill team, Central coined the Royalties, and Northern has the Northstars; but they have a long way to go to even be near the Thunderbirds.

The Port Huron High School Big Red Marching Machine is on the move to Munich, Germany for the 1972 Summer Olympics.

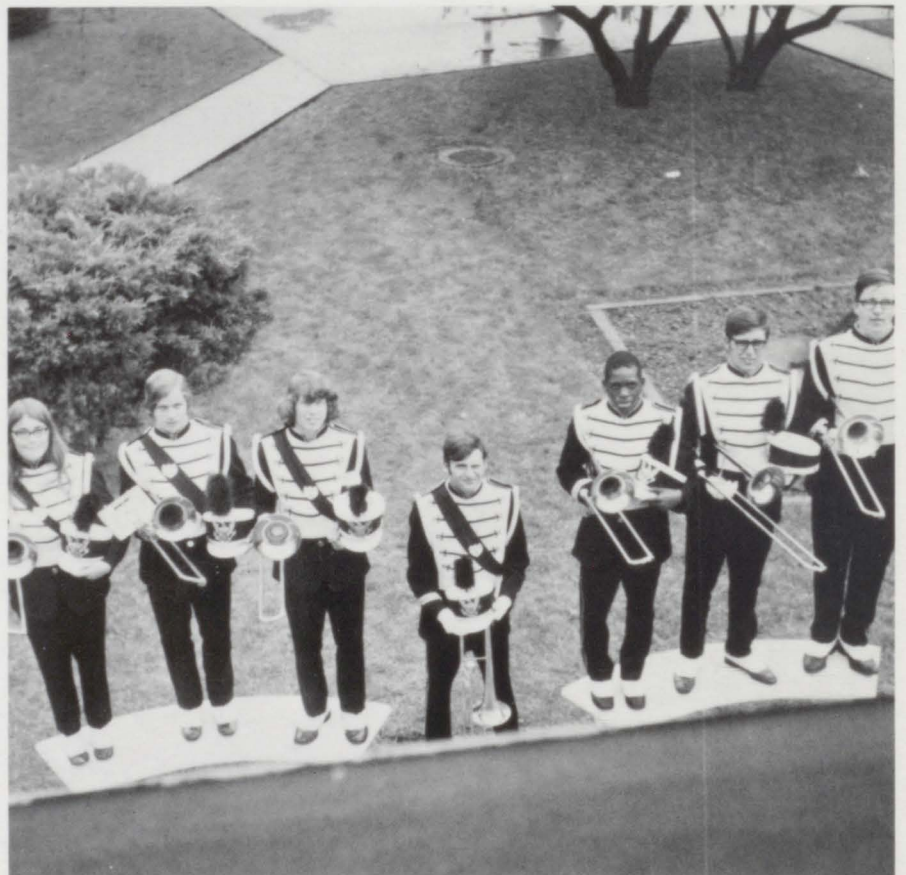

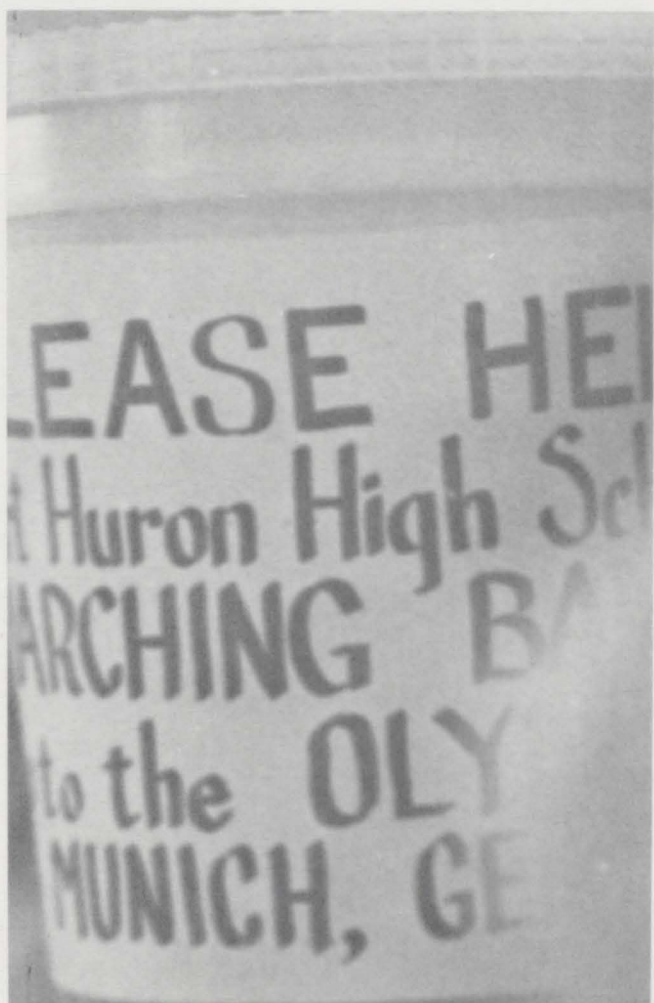

The Big Red Band - With Pride

With much, much, much, pride Port Huron High School of Port Huron, St. Clair County, Michigan, United States, Western Hemisphere, Earth, Milky Way Galaxy presents The Big Red Marching Machine.

This band was designed to go far.

It started off at home football games then numerous side trips and the J.L. Hudson's parade and the greatest honor bestowed on this or any band an invitation to play at the summer olympics.

Moving on - Big Reds

The Big Red Marching Band is moving.
The Big Reds Royal Reds is now.
The Varsity Band, The Honors Band both are great.
They move, their now, their great, we're proud.
Perhaps everyone is making a big deal about the band going
to Munich but this might be the only chance to put Port Hu-
ron on the map.
Let us be proud.
Let's support them.
Let's reach out.

Members of the 1971-72 Debate Team are: standing Lisa Maxwell, Gary Kivel, Diane McIntyre. Seated is Bob Sutphen. The Debate Team is sponsored by Miss Pat Lavoy.

The Student--a Yearbook

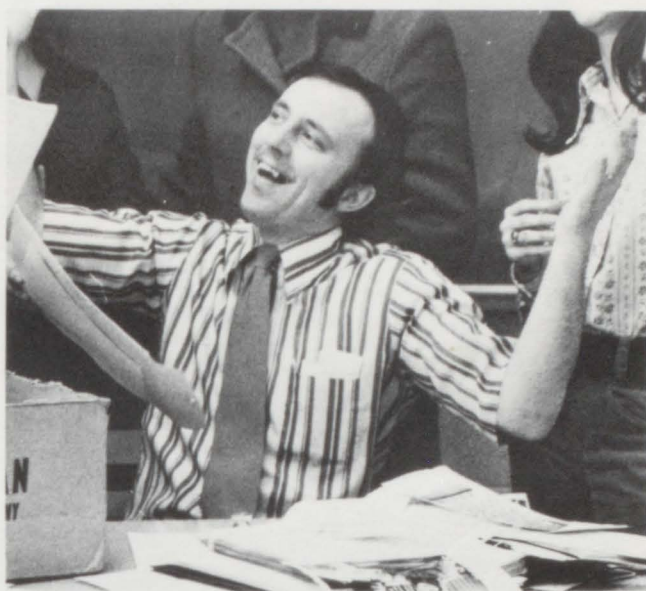

The 1972 STUDENT Co-Editors, Pam Sams and Linda Dean.

Our Photographers: Charles Cleaver, Karen Andrews, and Joe Brooks.

Recording a School's History

This is the 1972 yearbook class. Our staff was composed of the most hardworking of these students, Denise Patrick, Kim Sassanella, Minnie Porter, Delores Vercnocke, Mr. Robert Juchura, Linda Dean, Pam Sams, and Anne Fleckenstein. Mr. Jechura was relieved when we told him the book was near completion, but the class doesn't look too happy.

REACH OUT THROUGH THE STUDENT

Downhill Skiing All the Way!

With the ski club of 1972 it's downhill all the way! Skiing is one of the most healthy sports in the world. The crisp, clean air and the brisk cold are very beneficial to participants in this sport. Some of the active members are: Bill Smith, Tim Mrozowski, Kathy Charron, Mitch Bolt, Gary Klemmer, Vickie Miller, Leslie Joyce, S. Burns, D. Tipa, J. Smith, JoElle Houel, Miss Hogrewe, and Mr. Clair.

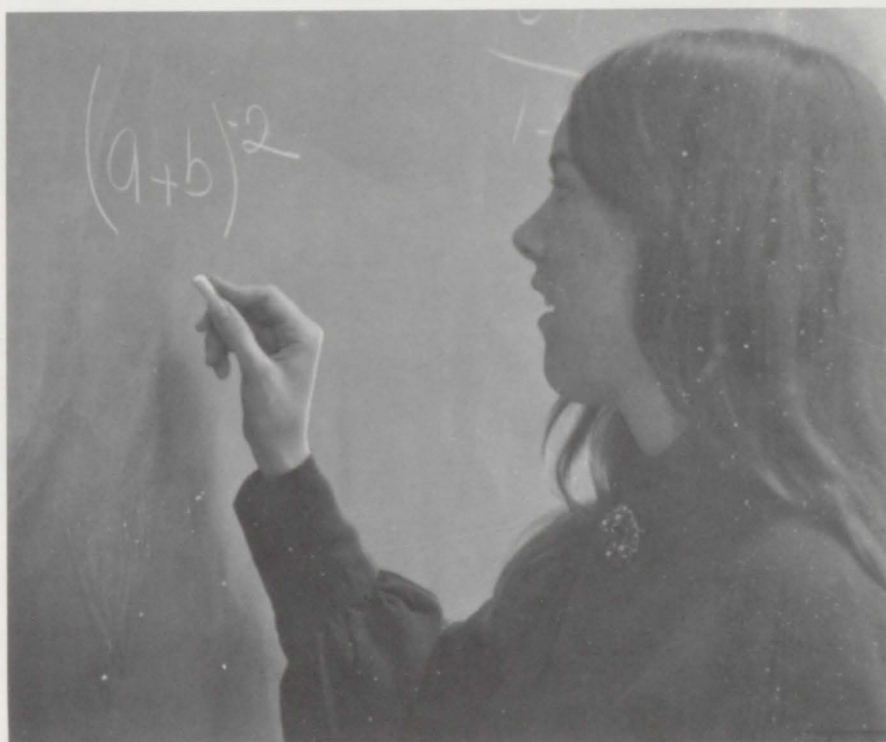

Gary Klemmer tries to get Art Lessard to switch from running to skiing. What do you say?

Left to right: Reynold Ankrapp, Pat Leitch, John Wakeen, Jim Fogal, Tim Mrozowski, Scott Tipa, Mary Helen Wright, Denise Palmateer, Diane Arnold.

Mu Alpha Theta or . . . Math Club

Mu Alpha Theta is one of Port Huron High School's most 'entertaining' clubs. We may all be distinguished and orderly on the outside, but on the inside we are all fun-loving characters. President, presiding with dignity, is Mary Helen Wright; Vice president, adding his touch of fun is Reynold Julius Ankrapp; secretary is Wendy Warsinski, (the red-headed wonder); treasurer is Karen Blount; historian is Jolly John Wakeen.

That's Life--Campus Life!

Campus Life is one of the most active clubs in Port Huron High School. Their "Scream in the Dark" drew hundreds to the haunted house on River Street. Some of our school's members are: Mitch Bolt, Rosemary James, Richard Lubert, Bob Gilbert, Scott Magnuson, Sandi Gilbert, Gary Klemmer, Debbie Thomas, Denise Palmateer, Beth Wismer, M. Noetzel, D. Jones, Art Lessard, and moderator Mr. Paul Ask. The group has meetings at different students houses. They are designed to combine an evening of fun with serious discussions. Records and magazines are also available. Reach out through student life.

The Campus Life booth at the Open House drew lots of excitement.

"Checkmate" - Chess Club

One thing can be said about the Chess Club: they really move. But they enjoy every move they make. The board of directors include Eric Malooly, president; Debbie Smith, vice president; and Gary Straffon, secretary. Other members include M. Cowper, C. Smith, M. Brown, B. Friedland, D. Shonka.

Shoot - Up, Rocket Club

They shoot their standards high. They are happy only when they're in the air. That's one thing that can be said about them; when one is in the Rocket Club one gets a bang out of life. Members of this club include T. Moen, Mr. Ask, D. Shonka, H. Gerhold, J. Blount, R. Gilbert, J. Ganhs, M. Rich, and M. MacKay.

G.A.A. - Girls Athletic Association

G.A.A., or better known as the Girls Athletic Association. They are members of the EML league and always place high. Sports such as volleyball, basketball, badmitton, track & field, field hockey, baseball and various other activities are part of their agenda. Mom's Night and Dad's Night as well as Co-Ed Night add fun to the year.

Athletics

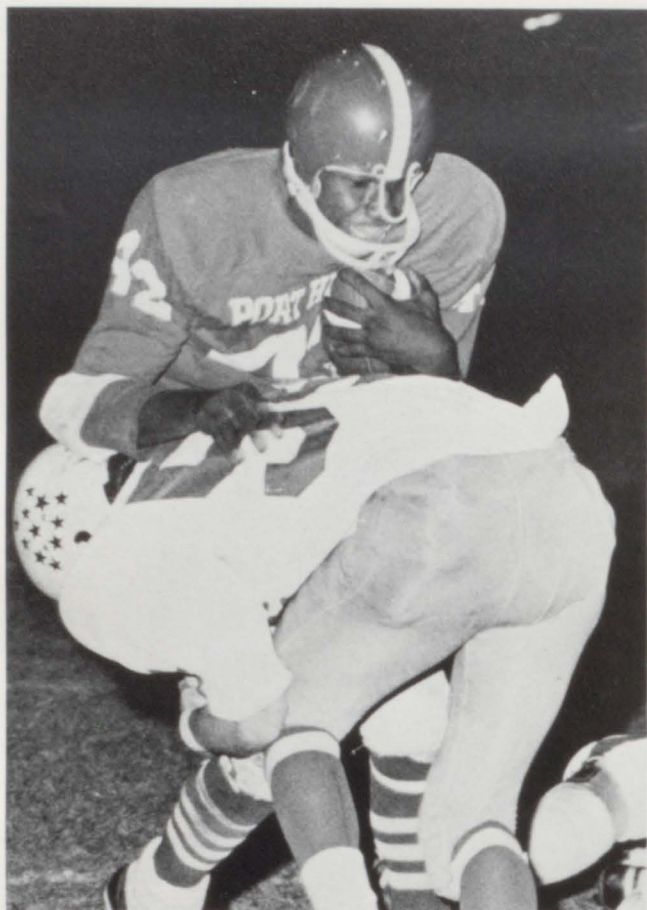

"The difficult we do now, the impossible takes a little longer."

An Air Force Motto

Athletics is one of the activities that keeps Port Huron High School on top with school spirit. Football, Wrestling, Cross-Country, Golf, Tennis, Track, Baseball, and Basketball keep all of us—faculty, administration, students, and alumni—united. Recall cold nights in Memorial Stadium, watching our boys run two and a half miles, crowding into home court stands, and seeing the high-speed action of a tennis match.

Competition for the boys is important too. There are the many practices, invitational meets, and games. There are the trials of wondering if it's really all the trouble and then knowing it is when the game is won. REACH OUT THROUGH ATHLETICS.

Thanks to the Times Herald.

The football season was one of the best in many years. On the following pages are some of the players and some of the highlights of the '71 season. We would like to give our thanks to the Port Huron Times Herald for the use of these pictures.

We find Hillary Thigpen going in for one of our touchdowns.

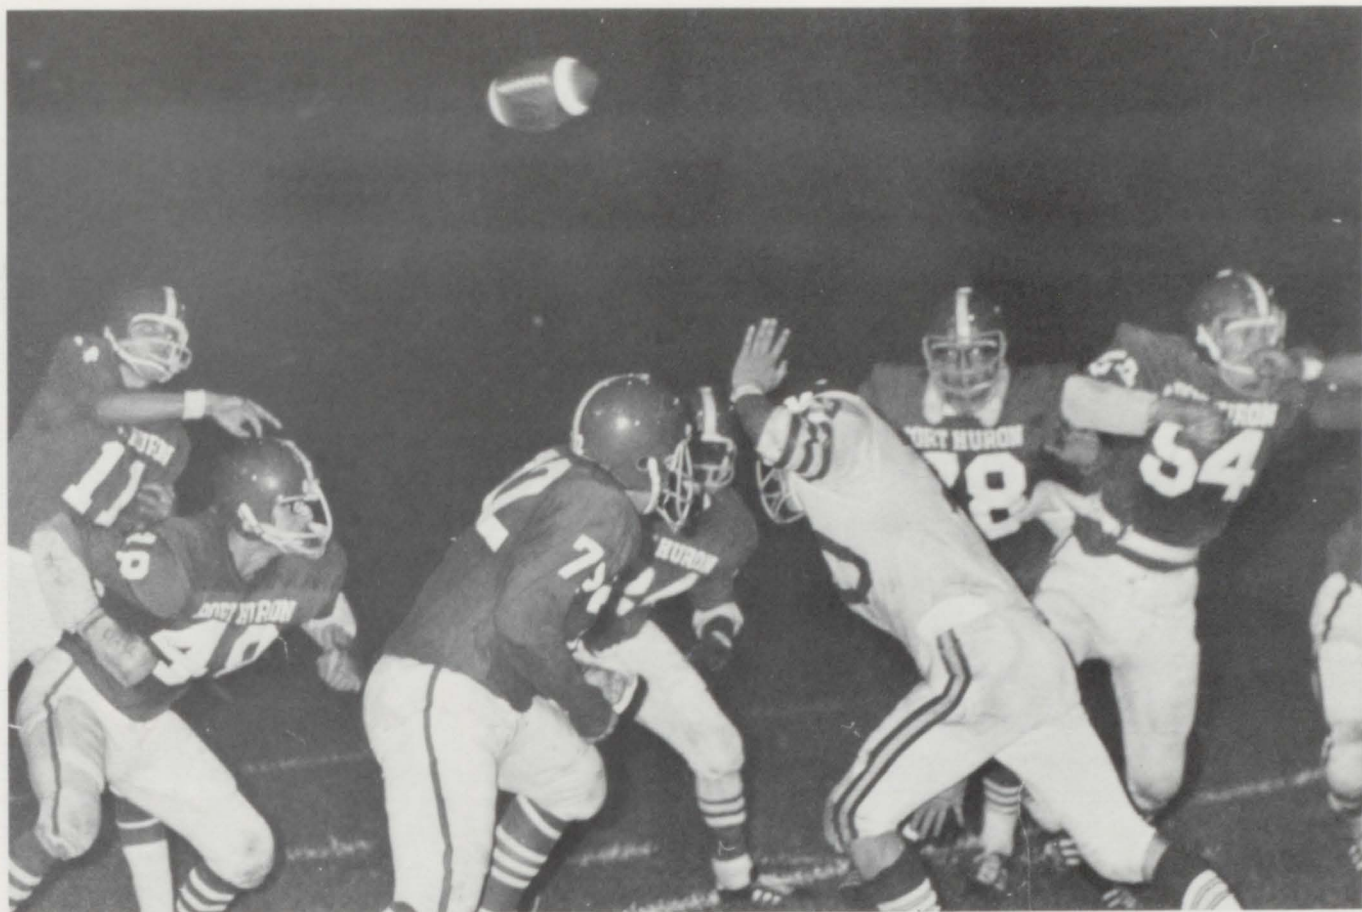

Bet Hill had an awful stuffy stomach after that hit.

In the Northern game Byron Dabney picked off this pass that was meant for Alex Dalrymple.

Dave Ceglarek puts the 'ole pig skin into the air with tremendous pass protection.

Dave Ceglarek again shows his running ability (and acrobatic ability) going in for the PAT in a game.

That's Really on the Ball

It's the round ball season. Start with an inflated leather basketball. Also a net and a backboard. Take two speedy guards, one tall center, and two hot-shot forwards, now what you've got is a basketball team. They run up and down a court, taking balls from the opponent and scoring two points for a field goal. Should someone get a little pushy or pull an error, his victim gets a free shot at the basket. Who decides who gets a free shot? Two men dressed in black and white striped shirts called referees.

Sometimes these men need an escort from the establishment where they are refing.

The Class of 1975

This is Port Huron High School's Freshmen Class.

Their aspirations are many.

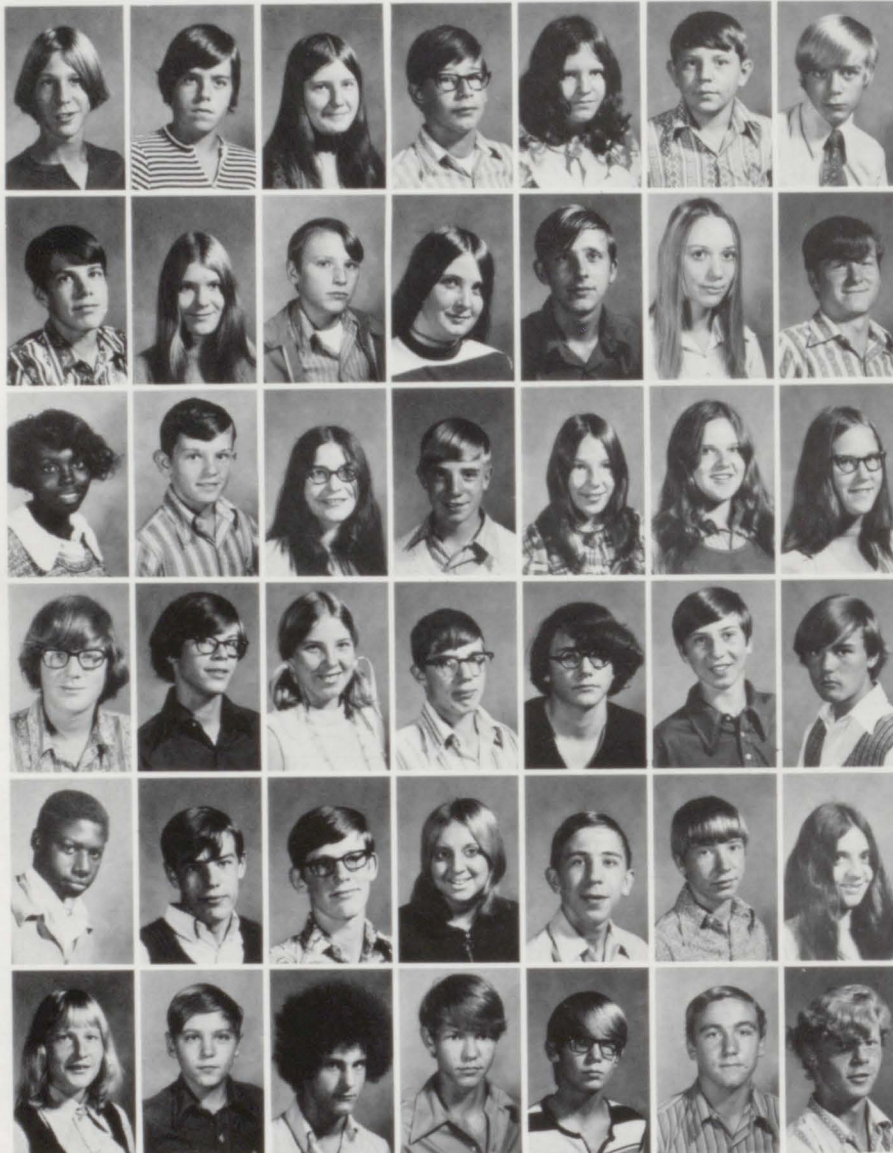

The school will be their inheritance, and with it comes a great tradition.

Most freshmen are classified as giggling and immature but take another look at these faces.

Do they look like freshmen?

Well maybe a little bit!

Good luck freshmen, from your administration, and fellow upperclassmen, you'll need it.

It's Going To Be a Short Four Years

It's going to be a short four years.

One day I am a freshman, a little scared of this school and the upper classmen.

Then I jump full force into my sophomore year, then my junior year. Finally I'm in my senior year. Time flies, maybe I should have studied my Algebra, World History, English, and Spanish a little harder. But, it's too late.

Study freshmen that's the greatest advice an upperclassman can give. Because . . .

The Freshmen may be looked down upon, but actually the freshmen class is the second most important class in the school. (Seniors always come first). Freshmen are new, fresh, and ready for hard work to give the school additional spirit and vitality. They come to high school with new ideas, new insights, and a fresh view-point of the world. Over all, the Freshmen are an asset to Port Huron High School no matter how the upper-classmen may think of them.

Sophomores Prepare for Future

What can you say about sophomores? They are still holding on to that high spirit they had as freshmen. They work to make their school the best. They help out the freshmen because they so well remember what it's like to be in that position. They are growing into mature, young adults, preparing themselves for the future ahead. They are going through a time in their lives when they are very impressionable and open-minded enough to understand what the learning process is all about.

Sophomores are Always There

Sophomores are always there . . . especially when you need someone to lend a helping hand.

They are a living example of the Reach Out theme.

We hope they do just as well when they are Juniors.

If they do, the school will have the same spirit of warmth that has pervaded the atmosphere of our Big Red students so far. Long live our Big Red Sophomores!

The Second Step Up

The Class of '74 has taken the second step towards the top of the ladder and they are about to take the third. The end is not far, Sophomores. Take advantage of the time you have now to make changes and improvements you want and need. Don't wait till it's too late. Good Luck!

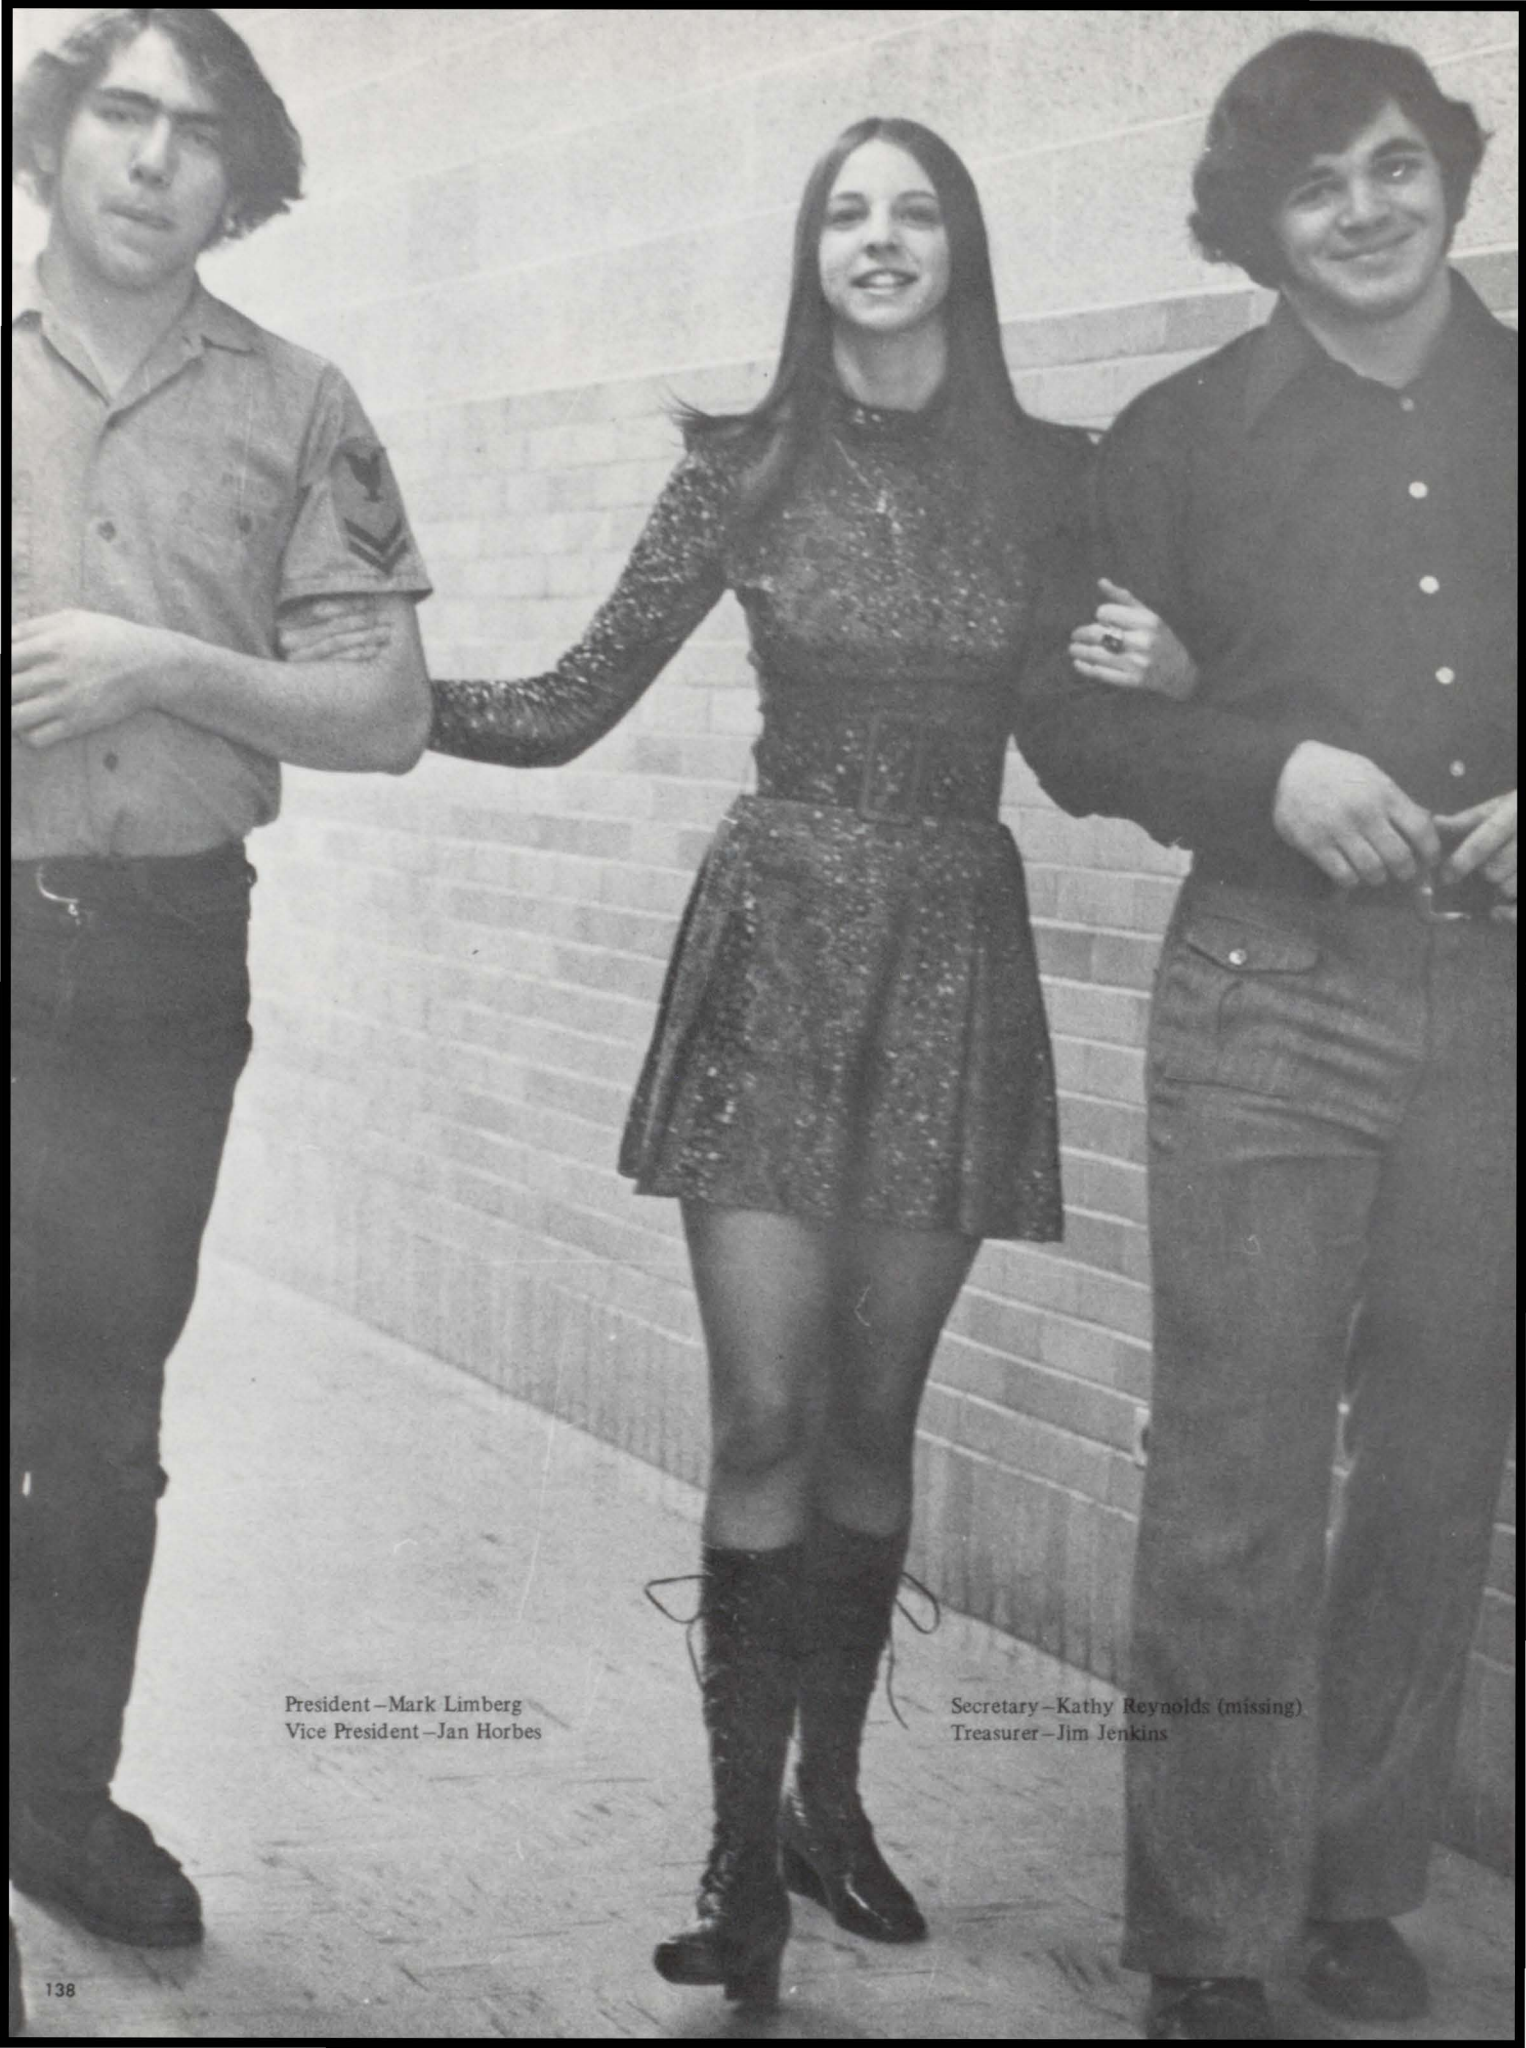

And Now . . . The Third Step

A word of advice, sophomores;

Listen well. Learn what you can while
you can. For if you don't, the first wind
that comes along will blow you away
and you will never know the reason
why.

Next Year's Seniors--Class of '73

The future Senior class (Class of '73) is about to step up to the role of leadership. To do this, they must be ready. Are they ready? Do they have what it takes to give the school the leadership it needs? Will they have the officers that will give them the strength and backing necessary? Only time will tell; We will never know until they start making mistakes.

One, Two, Three . . . We're

Juniors! At last! They've made it! Only one more year, and they'll be on their own. Sounds wonderful, doesn't it? Sure does. But what do they think about it? "I'm kind of glad, but then I'm going to miss the old place," says one junior. "I can't wait! I'm going to try to get out at the semester next year." There is always somebody who wants out. But even though some of them feel that way, most juniors will be loyal to the Big Reds for a long time to come.

The Class of 1973

Becky Prevost, Chuck Radatz, Ron Reed, Ken Reeves, Cynthia Reid, Larry Reiter, Kathy Reynolds.

The Juniors have now successfully completed three long, hard, dreary years of high school and are about to embark upon the fourth long year. Actually, the senior year is the most stimulating year of all. Of course, in order to get much out of their senior year, they must put what they can into it. Here's hoping for a successful year next year, Juniors.

Juniors Display Overwhelming Spirit

The Junior class has excelled. There is no doubt about it. As Seniors they will be one of the greatest classes Port Huron High School has ever seen. They have the enthusiasm that will carry them far. Their overwhelming spirit is displayed in everything they attempt.

A black and white photograph of a large crowd of students in bleachers. The students are mostly young people, likely high school seniors, sitting in rows. In the foreground, a student is seen from the back, looking towards the crowd. The student in the foreground has dark hair and is wearing a light-colored shirt. The crowd in the background is dense, with many students looking in the same direction. The photo has a slightly grainy texture and some light-colored spots, possibly from age or handling.

Seniors

The Port Huron High School Class of 1972 leaves in June. Throughout their four years they have reached out in everything. Sue Saunders reaches out to promote spirit among fellow seniors.
Reach out for success.

The Senior Class of 1972

The Senior class of 1972 looks back on their years, sometimes fondly, sometimes reluctantly, but with the knowledge that they will miss old friends and favorite teachers.

Led by their officers, they set a sterling example of organization and unity to their underclassmen. Port Huron High School will not soon forget the Class of 1972!

A Final Farewell

The graduating class of 1972 wishes to all a final farewell. To those who have supervised us, we say "thank you." To those who have guided us, we want you to know our gratitude. To those who have taught us we say a very special "thank you."

We will never forget your wisdom. As we look back on our high school years, we realize, even though we will be glad to graduate and begin new lives, that we will miss old friends; friends who have helped us, who have been our companions. We are leaving them to make new ones, but their memory will always last. As the leaders of the school, we pass our torch of leadership onto the up-and-coming leaders of tomorrow, the class of 1973.

Theirs is an awesome responsibility for they must live up to the outstanding character and vibrant spirit of the now-graduating class of 1972. Ours now becomes a world of tomorrows, of new responsibilities, of new objectives. The world will be ours to govern, and ours to discover, but we first must discover ourselves.

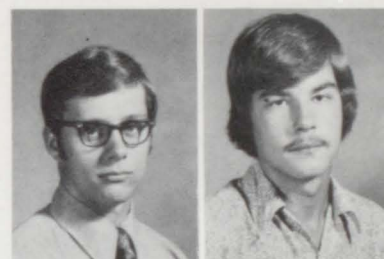

Then, and only then, can we give to others that of ourselves which was meant to be given. Now, as we say goodbye to all we have found dear (and maybe not so dear), we would like to say that our experiences at Port Huron High School have been enriching and amusing. Farewell, Big Reds, Farewell.

 ACKNOWLEDGE THE
 FOLLOWING PEOPLE FOR THEIR
 SUPPORT:

Askar Shain

Greg Beauchemin

Mr. Phone for the use of his Ufford.

Mr. Mitchell for the use of his room.

Mr. Jechura for his faith in this staff.

The Editors of the Yearbook, P. and L. would like to thank S.
 and A. of the track team for their moral support.

THANKS

COME ON AND JOIN OUR SONG FOR
PORT HURON HIGH,
THE BEST SCHOOL IN THIS LAND.
GRAND AND GLORIOUS WE'LL BE
VICTORIOUS, THE RED AND WHITE
SHALL STAND. OH, SHE'S THE
STRONGHOLD OF OUR COMMUNITY,
SHE STANDS FOR ALL THAT'S RIGHT.
SO FIGHT, FIGHT, FIGHT, FOR
ALMA MATER.
AND SHOW THEM WITH OUR MIGHT.
FIGHT FIGHT FIGHT FIGHT
ON TO VICTORY.
FIGHT FIGHT FIGHT FIGHT
SHALL OUR WATCHWORD BE.
COME ON AND JOIN OUR SONG
FOR PORT HURON HIGH
CHAMPIONS NOW ARE WE!
SO FIGHT, FIGHT, FIGHT, FOR
ALMA MATER
AND SING FOR VICTORY.
